**TO:** Members of SWOG  
**FROM:** SWOG Operations Office  
**DATE:** December 2013  
**SUBJECT:** Policy Revisions

The following SWOG policy has been revised as summarized below. This and all policies can be viewed and printed from the Group's web site at <http://swog.org/Visitors/Policies.asp>.

Revision Summation

**Policy 38 Dosing Principles for Patients on Clinical Trials**

In recognition that many site investigators may be required to use their institutional-specific medical record software management system for patient information, this policy was revised to allow SWOG investigators to use the system-provided calculator to estimate creatinine clearance of study subjects. SWOG investigators may also use the online calculator provided by the SWOG Statistical Center and available on the SWOG website.
