MEMORANDUM

The purpose of this memorandum is to remind sites of the official retirement of AdEERS, effective March 2014.

CTEP-AERS has taken its place and is REQUIRED for use in place of AdEERS for expedited SAE reporting for CTEP, DCP, and CIP clinical trials.

Access to AdEERS will be removed by close of business April 1, 2014. All amendments to AdEERS reports must be done in CTEP-AERS.

The CTEP-AERS application can be accessed at <https://eapps-ctep.nci.nih.gov/ctepaers/pages/task?rand=1394829090464>.

CTEP-AERS resources, including training documents, slide sets, registration for the remaining live training demos and a recorded training demo are available at http://ctep.cancer.gov/protocolDevelopment/electronic_applications/adverse_events.htm.

For issues with CTEP-AERS, please contact the technical help desk at ncictephhelp@ctep.nci.nih.gov.

This memorandum serves to notify the NCI and SWOG Statistical Center.
