MEMORANDUM- Spanish HIPAA Form Available for Site Use

This memorandum is to notify sites that a Spanish version of a non-study specific Health Insurance Portability and Accountability Act (HIPAA) form is now available. Sites may choose to use if they do not have a standard Spanish form in place.

According to the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule, HIPAA permission forms are an institutional requirement, therefore translation of the document for non-English speaking patients is required and the responsibility of the local institution.

This form has not been reviewed or authorized by the CIRB.

This memorandum serves to notify the NCI and SWOG Statistics and Data Management Center.
