Policy Revision Summation

Policy 02 Constitution / Bylaws

This policy was revised to update the committee structure to include the Modality Committees (Imaging, Immunotherapeutics, Radiation Oncology, Surgery, and Transplant and Cell Therapies), to remove Digital Engagement and Quality Assurance Committees, and to add the Advanced Practice Providers and Nurse Scientists Committee.

Scientific Council has been added as an alternative name for the Executive Advisory Committee. Chief Medical Officer has been added as a new position description that holds a seat on the Board of Governors (BOG) and the role of "Membership Subcommittee Chair" has been removed as a BOG position now that the subcommittee no longer exists.

Policy 52 Job Description of Chief Medical Officer

This is a new policy adopted by the Board of Governors. The policy outlines the job duties and responsibilities of the SWOG Cancer Research Network Chief Medical Officer (CMO).

Policies 07, 11, 13, 25, 38, 39, 40, 50, and 51 had minor editorial, non-substantive changes.
