

SWOG Biospecimen Bank – Solid Tissue, Myeloma, and Lymphoma Division (Lab #201) HOLIDAY SCHEDULE

The SWOG Biospecimen Bank (Solid Tissue, Myeloma, and Lymphoma Division, Lab #201) will be closed on Monday, September 7th, 2026.

If frozen specimens are collected on Friday or over the holiday weekend, please store them according to protocol instructions and ship on Tuesday, September 8th. Specimens that do not need to be sent via overnight courier service (e.g., formalin-fixed paraffin-embedded tissue blocks or slides) may be sent as usual.

The SWOG Biospecimen Bank will be open Saturday, September 5th, to receive and process fresh ambient **whole blood, bone marrow, stool, and urine** only. Select “Saturday Delivery” and use the Priority Overnight service when creating a FedEx air bill. Please do not ship frozen specimens or formalin-fixed paraffin-embedded tissue for Saturday delivery.

S2101 (iMATCH) Specimens:

- If surgery is scheduled for Friday, September 4th or Monday, September 7th, tissue in formalin should be embedded in paraffin and submitted as a formalin-fixed paraffin-embedded block.
- Blood for iMATCH may be shipped on Friday for Saturday delivery.

Avoid sending large batch shipments of any type during the week prior to the holiday. Please hold large batches of specimens and ship to the Bank on or after September 8th.

Please call (614-722-2865) or email (BPCBank@nationwidechildrens.org) if you have any questions.

SWOG Biospecimen Bank – Leukemia Division (Lab #200) HOLIDAY SCHEDULE

The SWOG Biospecimen Bank - Leukemia Division (Lab #200) will be closed on Monday, September 7th, 2026.

The laboratory will be open to process specimens on Saturday, September 5th. If specimens are collected on Friday, September 4th, please ship them via FedEx Priority Overnight. When shipping on Friday, please check *Saturday Delivery* on the FedEx air bill. Remember to contact the Bank (614-722-3270 or BPCMGLab@nationwidechildrens.org) and provide the FedEx tracking number before shipping specimens that will arrive on Saturday.

If specimens are collected over the holiday weekend, please store them according to protocol instructions and ship on Tuesday, September 8th.

If you have any questions regarding the shipping of leukemia specimens, please contact the Bank at 614-722-3270 or BPCMGLab@nationwidechildrens.org.
