

**Southwest
Oncology Group**
A National Clinical Research Group

January 1, 2004

TO: CCOP Principal Investigators
CCOP Clinical Research Associates

FROM: Dana B. Sparks, M.A.T. - Protocol Product Line Manager

RE: CCOP Protocol Credit Assignments

MEMORANDUM

An updated list (dated 11/25/03) that reflects the latest cancer control and treatment credits assigned to Southwest Oncology Group studies has been posted at <http://www3.cancer.gov/prevention/ccop>. A permanent link to this site has also been added to the "Links" page at [swog.org](http://www.swog.org).

Please note that **S9908** has been updated to change the cancer control credit for this study to 1.0.

Future updates will be forwarded as they are received in this office.
