

—ANNOUNCEMENT!—

The Group Newsletter will no longer be published in hard copy (paper) format. The newsletter will be available through the Group web site:

<http://swog.org>

If, in the future, you would like to receive email notification of the newsletter availability on the web site, complete the form on the reverse of this page and FAX or mail it to the Operations Office at the address noted.

IMPORTANT REMINDER! Beginning with the 2002 Fall Group Meeting, pre-registration to the Meeting may be accomplished **ONLY** via on-line registration; there will be no other option for pre-registering to the Meeting. However, *on-site registration* for the Group Meeting will be available at the Group Meeting Registration and Information Desk, beginning October 24. The August edition of *The Group Newsletter* will carry complete information about the Group Meeting and will be posted on the web site *Tuesday, August 20, 2002*.

EMAIL COLLECTION FORM

If you have an email address and would like your address included within the Southwest Oncology Group database or if your email address requires correction, please complete the information below and mail or fax this form back to the Operations Office. You may also email the information requested below to members@swog.org.

If you have previously submitted this form and your email has not changed, please **DO NOT** resubmit. If you have access to the Members side of the Group webpage, <http://swog.org>, you can verify your email address through the Membership Roster lookup screen.

Please Print or Type
